Important information regarding requests to deduct/cancel additional tax from the monthly pension:

1. A pensioner may request that the GEPF deduct an additional amount for tax, from their monthly annuity.
2. A pensioner may request an additional tax deduction where he or she has another source of income in addition to the pension from the GEPF, thus when all income is declared to SARS during the yearly assessment, the pensioner is in a higher tax bracket, and has to make additional payment to SARS.
3. The total amount deducted and paid to SARS will be reflected on the yearly IRP5 issued by the GEPF, to the pensioner. This deduction will not be paying off any current debts the pensioner may have at SARS. Alternative arrangements must be made with SARS for payment of tax debts.
4. The deduction request must reflect a start and end date. If you want the deduction to run indefinitely, leave the end date blank.
5. You may stop or alter the deduction at any time by submitting a new form reflecting the changes, or a form reflecting a deduction end date.

Submission Instructions:

1. This form may be returned by e-mail to enquiries@gepf.co.za, or delivered to any GEPF Regional Office or posted to the GEPF at:
